## Action Taken Report on Student Feedback for IQAC Record

for the

Academic Session 2024-25:

Based on the feedback received from students, the following actions have been taken by the institution to improve academic and infrastructural facilities:

1. Adequate drinking water facilities have been installed near the library for the convenience of students and staff.
2. Flower beds have been developed across the campus to enhance its aesthetic appeal and to create a pleasant learning environment.
3. The laboratory has been renovated, and its capacity has been enhanced to accommodate a larger number of students and to improve practical learning facilities.
4. Battery backup facilities have been installed in the library to ensure uninterrupted access to resources and to avoid any inconvenience to students during power outages.
5. An additional internet connection has been provided in the virtual laboratory to strengthen digital infrastructure and to facilitate smooth online academic activities.
